OVERVIEW

CrownMatrix Solutions LLC is a Service-Disabled Veteran-Owned Small Business delivering cybersecurity program execution, identity access management support, compliance coordination, and IT operational improvement for federal agencies, state organizations, and prime contractors.

We specialize in moving initiatives from planning to execution with disciplined delivery, strong stakeholder alignment, and measurable outcomes—reducing delays, improving accountability, and ensuring mission-critical programs stay on track.

CORE CAPABILITIES

Cybersecurity & Compliance Support

- NIST 800-53 framework support
- POA&M; tracking and remediation coordination
- Security documentation and audit readiness
- CMMC readiness support

Identity & Access Management (IAM)

- IAM / PAM project support
- Access reviews and lifecycle coordination
- Identity governance support
- Provisioning workflow coordination

Program & Project Delivery

- Cybersecurity PMO support
